INVOCATION: Pastor Robert Easley, Jr.

PLEDGE OF ALLEGIANCE: President Schulman

AGENDA CORRECTIONS & CHANGES: (Suspended Rule 22A to add 2nd Rdg O#6 - O#21; O#16 - O#17 - adopted on 2nd Rdg.; O#18 - adopted on 2nd Rdg as amended; O#19 - O#21 adopted on 2nd Rdg.; O#22 - adopted as amended; O#23 - defeated; O#25 - postponed until 6/30/14)

PUBLIC HEARINGS: None

OLD BUSINESS (PUBLIC SPEAKS): None

PUBLIC SPEAKS (CITY BUSINESS): Walter Moss: CIRV Director. Went to Cincinnati, Toledo, Dayton, & Youngstown and listened to how they deal with gang and group involvement issues. The City of Canton needs to take policing efforts forward and not be reactionary. CIRV has seen a dramatic drop in gun violence. I am 100% behind the Police Chief. There will be a meeting Tuesday from 1:30 - 2:30 on Mahoning Rd. We will be talking to resident and visitors. We need to get ahead of these issues. As a citizen I support the Chief. Community Policing is the way to go. If anyone would like, I have some CIRV Brochures and if any of the Council Members would like, I am willing to speak in any of the Wards about CIRV. Ken Jones: I want to talk about the Land Bank Rules. In 2004, I along with John Mulligan, purchased a house that we have been rebuilding from day one. The house is the closest house to the City Council Office. The project turned into a 10 year project and ended up being a \$100,000.00 cash investment. A small lot became available about 60 ft. from the back of my property. Last year I called and spoke with Mary Cirelli about purchasing this lot. She referred me to Lemuel Green. Mr. Green said I didn't qualify, but to wait because they were revising the rules and that it's possible I may qualify at that time. At this time the adjoining neighbors have now been promised this lot. I don't know why I didn't qualify as a homeowner, but the slumlords next door did. Jim Parker: I think the Renkert Building should put have an image of Marion Motley on their Building. Tired of dead white Presidents being recognized. When will black people get some recognition? Steve Silver: First I want to commend Council for coping with the deficit. I listened to Member West speak about the Animal Nuisance Control Officer. There are many companies and people who offer humane treatment of these wild animals. Cynthia Hofacre: Live in Market Hts area. For 33 years I've watched the decline of the city. On 252-3rd St. SW, this home has been abandoned for 30 years. Why does this landlord have the rights and not the neighbors. It's horrible. Why can't we force someone who abandoned a home to pay a bond like they do in foreclosures? Robert Tabor: I saw a person stealing scrap from the vacant home next to mine. The person stealing struck me with his vehicle. I have witnesses. The next time somebody was stealing from this house, there were 9 cruisers on my property. The guy had additional warrants, he had a gun on him. This property needs to be fenced and contained.
