CANTON CITY COUNCIL

May 18, 2015

ROLL CALL: Eleven Members Present

MOTION TO EXCUSE MEMBERS: Member Fisher Absent

INVOCATION: David Dougherty, Ward 6 Council Member

PLEDGE OF ALLEGIANCE: President Schulman

AGENDA CORRECTIONS & CHANGES: (Suspended Rule 22A to add 2nd Rdg O#12 - O#24; O#21 - O#24 Adopted on 2nd Rdg; O#25 & O#29 Adopted as Amended)

PUBLIC HEARINGS: None

OLD BUSINESS (PUBLIC SPEAKS): Reviewed Pending Issues from Public Speaks

PUBLIC SPEAKS (CITY BUSINESS): Byron and Kirby Jenkins both spoke about revisiting some type of dog ordinance. Byron Jenkins spoke about a Pit Bull cornering him and his daughter by a tree as they were walking to his mother's house. The owner took a while to come outside and pull the dog away, only to have the dog come after them again. Kirby Jenkins asked Council to visit the Dogbite.org website for statistics on Pit Bulls. Over the last 10 years, the dogs have caused 326 deaths. In some cities the dogs have been banned. They both want Council and the citizens of Canton to find a way to make everyone safe and happy. Patricia Kirk and Brenda Kimbrough both stated that Canton needs green space downtown. They said that green space is inviting, calms, and lowers crime. Ms. Kirk also states that it can be made to look good in every season. She said that she knows of a family that moved because their toddler needs a yard to play in. She had a petition for green space that was signed by 248 people. Ms. Kimbrough remembers when the Kresge Lot was nothing but mud. She said that the people residing in the homeless and women's shelters downtown would appreciate a place to go and sit. President Schulman commended Ms. Kirk on her work in the City and let the audience know that she was instrumental in Canton receiving the 2014 Tree City Award. She was also responsible for Canton getting a Tree Ordinance and a Tree Commission. Gregory Kimbrough mentioned a property down the street from his house, on Correll, that was to be demolished. He wanted to know what he could do to purchase it. Tom Schmidt spoke about recreational fires such as fire pits. He said there should be a number for neighbors to call, during the day, when someone has a recreational fire in their yard. He said that fire pits in the front yard should not be acceptable and that some people are not burning normal wood. Some of the things they're burning causes excess smoke to go into their neighbor's yards. He believes that the Fire Department should have some type of control, or better mechanisms in place and better ideas to deal with this problem. Harold Friedman spoke about the Park Levy just raising taxes. He also spoke about the promise of better Fire and Police protection, only to have Fire Station 10 close twice. He says that people should not have to rely on Paramedics to come during a fire. He also commented on the condition of the roads, in particular Logan Ave and the road from Harvard to 25th St. He said they're so torn up that you can't even drive on them. Charles Killens said that he had asked the Mayor to address some of his issues, but the Mayor wasn't there. He will, if necessary, talk to the President and the NAACP to help him file on all Council Members. He also asked if he should have the government send information regarding his civil rights. Pete DiGiacomo believes the Kresge Lot has been pretty well funded and would like to see a walking pad put in. He thinks maybe bricks could be sold with names on them at \$30 to \$40 each, and put in; however, he advised that they should not be sold and then thrown away as they were at the First Ladies Museum.

MISCELLANEOUS BUSINESS: Law Director Martuccio address Byron and Kirby Jenkins' concerns regarding Pit Bulls. He said the State law had changed, and although the City has some home rules, the State trumps us. For a while the dog's image got better and the lobbyists got stronger. He asked that they continue reporting any dogs they see at large because there is a fineable, misdemeanor law. He advised that they see the Canton Prosecutor if they wished to file a complaint. The Prosecutor will follow up with a letter, letting the owners know they can be prosecuted. Law Director Martuccio also mentioned to Member Hart that he read in the paper where it was 100 years ago that Council voted to pave over the bricks roads. Member Hart complimented Deputy Mayor Williams and Service Director Bartos on the great job they did welcoming the new Safety Forces during the swearing in ceremony. Member West voiced his support for an Animal Nuisance Control Officer. He mentioned that some owners of dogs, such as Pit Bulls, are irresponsible. He believes the situation needs to be addressed. He also said that Market Square currently has no definite design plan and that he's sure there will be a green space. He told members in the audience that if they hear differently, to contact him. Member Dougherty asked for help from the Administration for getting the City Flags up. He said that the Hall of Fame has one up along Fulton Rd., but there are still some Fire and Service Stations without a City Flag. He said that where ever there is a City pole and the American Flag is flying, there should be a City Flag also. Member Smuckler asked if the City communicates with the gas and electric companies when it comes to ripping up our streets. He was surprised to hear what went on at 38th Street. He asked if the City has a sign-off process, and if not, should an Ordinance with outside utility companies be done.

ADJOURNMENT: 8:45 P.M.
