CANTON CITY COUNCIL

AUGUST 10, 2020

ROLL CALL: All Members Present

MOTION TO EXCUSE MEMBERS: Not Necessary

INVOCATION: Robert Fisher, Ward 5 Council Member

PLEDGE OF ALLEGIANCE: President Sherer

AGENDA CORRECTIONS & CHANGES: (Suspended Rule 22A to add 1st Rdg O#15; 2nd Rdg O#16 - O#18; O#15 Adopted on 1st Rdg; O#21 Adopted as Amended)

PUBLIC HEARINGS: None

OLD BUSINESS (PUBLIC SPEAKS): None

PUBLIC SPEAKS (CITY BUSINESS): Kim Bell feels that a lot of the Council Members need to retire and that they need a younger group with fresher ideas. She announced that she is going to run for Mayor in 2023, and she would like to get new Council Members under the age of 60. She does not believe that it is a good idea to defund the police because they need law and order and the black neighborhoods will be the first to be effected. She thinks it's better to just weed out the bad ones. She also said that in order for laws to change, it takes a majority opinion, not just one person, and it takes time. Ronald Seymour is representing the Vital Legacy, a non-profit organization to help the Canton's youth. They are asking for funding to provide services for kids to come to express their feelings about personal issues, to learn how to open their own business, participate in different activities such as sports and music, and get their minds off of the streets. He wants to set a positive example and help stop the violence, however he needs support and funding from the police and Council. Cedrick Foster, who is the director of Vital Legacy, approves of Mr. Seymour's message and states that he is his younger brother. For the past three years, he has been telling the world how he changed, regardless of his circumstances, through art, music and poetry. He wants to be a voice for the people through his actions and words, help to get the needed funding and stop the violence so they may address other issues. He believes that we need change, we all want change, but we can't do it alone. Levi Hunter believes the only way to bridge the gap is get some programs out there for the youth, but they need the funding to do so. They have nothing to do but be destructive. He said that the protests are over, now we need to move to the next step and build the community. He stated that there is absolutely nothing to engage the youth. He feels that the Water Park in Ward 4 is a waste of time and that the Southeast Community Center only offers basketball, but no programs. We need programs to redirect the youth.

Hall of Fame Presentation – Mike Crawford

MISCELLANEOUS BUSINESS: Member Ferguson requested that Mike Crawford provide Council with an update on the Hall of Fame Project. Member Smith thanked the Mayor and Council on behalf of the family of Baby Ace for their support. Member Smuckler advised that a member of the audience from last Wednesday's meeting tested positive for COVID 19. He assured that everyone was practicing social distancing, he was the last one to leave the room and he walked out with the officers. He spoke with Health Commissioner, Jim Adams, who does not believe any threat was posed. He asked the Mayor, who handles the programming at the Peel Coleman Center. Mayor Bernabei stated that the programming at the Peel Coleman Center is scheduled and organized by the Parks & Recreation Department. Member Smuckler is in favor of a positive meeting rather than some of the meetings they've just been through, and take a vote of the community to find out what they would like to see happen. Member Smith indicated that there are many programs in place at the Southeast Community Center, but currently they are not open due to COVID 19. When these restrictions are lifted, she would like people to come see all the programs, and asked to speak with Levi Hunter before he leaves. She also discussed some possible programs with Hammer and Nails. Member Smuckler suggested to Member Hall that if he knows of anyone who would like to serve on the Mayor's Boards, to let the Mayor know. Member Hall mentioned that the Southeast Community Center has a lot of good programs, but there are still three other quadrants in the City that need help. Member Smuckler asked Member Hall to provide any ideas that he may have for the other communities. He requested that all the Ward Council Members who have neighborhood project ideas provide those to the Administration. There was money set aside for these issues. He feels there are enough good ideas to give not only the youth, but everybody, something to do. He explained that a Rules Committee meeting was scheduled to discuss possibly continuing to meet every other Monday through the rest of the term due to COVID 19. The Administration assured him that they would not be requesting passage of everything on first reading, but would continue to talk about everything. He assured everyone that he did not let anyone in last Wednesday who was not wearing a face mask. He asked that anyone who has any feelings about meeting every other week to please contact Member Smith. Member Smith clarified that they were feeding families as well as children when Council Members and the Mayor were providing food each week at the Southeast Community Center. They also provided personal hygiene packages and disinfectants. Member Scaglione stated that these events were very well organized and everyone greatly appreciated the food and personal packages.

QUOTE OF THE WEEK: *"Freedom is not a state; it is an act. It is not some enchanted garden perched high on a distant plateau where we can finally sit down and rest. Freedom is the continuous action we all must take, and each generation must do its part to create an even more fair, more just society."*—Rep. John Lewis
