MISCELLANEOUS BUSINESS: Member Scaglione thanked Dan Moeglin and the Engineering staff for the work being done on the city’s drainage issues. Member Smuckler said that EPA is not very efficient in the way they operate and that he, Mayor Bernabei and Member Smith are trying to figure out how to get the constituents affected by the Republic Steel lead emissions to the meeting at Garaux Hall. Member Smith said she would make calls to constituents in her Ward. She believes that the EPA may have had a difficult time finding a place to hold the meeting because some places still haven’t opened due to the Covid pandemic. Member Kimbrough thanked everyone for coming to the Blues Fest downtown and said it was a wonderful event. Member Smuckler thanked everyone who attended the program at McKinley Monument for the 4th. In lieu of the regular events being held, Jimmy & The Soulblazers performed. There were no major safety concerns and the Committee is considering doing the same thing next year. He welcomed State Rep. Thomas West home and thanked him for all that he does in Columbus for the city of Canton. He thanked Rep. Kirk Schuring and said that he and Rep. West will both be helping with things coming up. Member Smuckler also welcomed Member Morris back to the Council meetings.
